# EVENT PROGRAM

DECEMBER • 09 • 2021

Presentation of the project **A.A.C.Cessible culture: Museums for everyone developing the Alternative Augmentative Communication tools**, to encourage the fruition of the museum heritage to young people with communication and learning deficits, including recently immigrated children, through the strategies of Augmentative Alternative Communication (AAC).

On this occasion will be presented the project First Intellectual Output (IO1): the definition of the strategies and tools of Augmentative Alternative Communication to communicate cultural heritage and for the creation of a European educational model, in a dialogue between schools and institutions.

## Institutional greetings
