COVID19

At the airport, in order to be able to enter Greece without problems you need to show:

- either a certificate of vaccination against Covid-19, issued by their country's national authority, in the English, French, German, Italian, Spanish, or Russian language, on the condition that a fourteen (14) day period has elapsed since these passengers were fully vaccinated;
- either a negative molecular test (PCR) for COVID-19, taken up to 72 hours before their entry. Upon their arrival, they may also be subject to random testing (rapid tests) as per the procedure described in the Passenger Locator Form (PLF), which is a document required to be submitted by all passengers of incoming international flights, one day before they arrive in Greece. Greek residents who are passengers of international flights leaving Greece are also required to fill in the Passenger Locator Form (PLF).
- either a medical certificate of a COVID-19 infection, issued by a national authority / an accredited testing laboratory, in the English, French, German, Italian, Spanish, or Russian language. The certificate can be issued thirty (30) days after the positive test result and it is valid for six months.
- Also all travelers to Greece they will need to complete one day before their arrival the PLF form (Protocol for Arrivals): <https://travel.gov.gr/#/>

In order to be able to sit in a restaurant or a café you need to show the proof of Vaccination or a medical certificate of a Covid-19 infection as well as if you want to enter a shopping centre or commercial shop
